Kik Messenger records revealed that the email address theoranfamily369@gmail.com was associated with user bj369369369’s account. Subsequent investigation would reveal that the email address was registered to a “J Oran.”

User bj369369369 and the UC discussed meeting in a park to engage in sex acts. User bj369369369 suggested that his older brother “Jamie” should be the one to engage in sex acts with the UC because “he’s a lot better at showing a girl how to feel good.” User bj369369369 then proceeded to encourage the UC to engage in sex acts with his “brother.” The purported brother, “Jamie”, took over the chat for a time before purportedly returning the phone. The chat continued to focus on topics of a sexual nature, including meeting to engage in sex acts. Eventually, “Jamie” purported to take control of the bj369369369 account and proceeded to make arrangements to meet the UC at a park. On October 13, 2017, the following exchanges took place:
